What Is Love? A Philosophy of Life | HuffPost Life But if it is difficult to stay in love, that means, that it is not the love of your life. It is a love experience. Love is always beautiful, if it is not beautiful, it is not love. Time to move on. Sometimes, love just fades away. It is better to move on when you don't feel anything, then when you feel the opposite of love. Love (Stanford Encyclopedia of Philosophy) In what follows, theories of love are tentatively and hesitantly classified into four types: love as union, love as robust concern, love as valuing, and love as an emotion. It should be clear, however, that particular theories classified under one type sometimes also include, without contradiction, ideas central to other types. What Is Love? | Philosophy Talk Troy Jollimore, philosophy professor, poet, and author of Love's Vision, is invited to the conversation to puzzle with them. John begins with the million dollar question: "What is love?" Troy responds by saying that love is an emotion, but there are more than simple feelings involved. Love is also a perception of value and a commitment of will.
